## Welcome Back To The 9th Biennial Peace Region Petroleum Show!

Greetings Exhibitors,

Wednesday May 18 & Thursday May 19, 2011...

The Peace Region Petroleum Show presents a 2nd show in the fully completed TEC Centre. Exhibitors from last year's show will have first right of refusal on the similar booth space from 2009 until November 30, 2010.

You have until October 31, 2010 to send in your application of preferred booth space. After October 31, 2010 the booths are open for resale on a first come first serve basis.

We encourage you to get your application in as soon as possible to avoid disappointment.

New outdoor space available near the TEC Centre - on a first come first serve basis.

Our show is the third largest petroleum show in Canada! With over 325 exhibitors anticipated and thousands of industry visitors attending Evergreen Park, this is the busiest spot in the patch and Peace Region!

Please find included on the website all the information you need to apply for an exhibit space for the 2011 Peace Region Petroleum Show.

A policy of "first-right-of-refusal" for your previous show booth space will be implemented up until October 31, 2010 when receipt of 50% deposit, plus GST, is included with your exhibit space application form. All exhibitor registrations will be date-stamped as they are received to ensure your opportunity of getting the booth space of your choice.

If you choose to serve either food or non-alcoholic beverages within your exhibit space, please make yourself aware of the food service policy which will be strictly enforced by the local Health Unit, Peace Country Health. In addition, there will be a per/day fee due to the caterer on contract at Evergreen Park facility for any exhibitor serving food or drink of any kind at their booth. Instead, we would like to suggest, you might consider the Hospitality Sponsorships. See the Sponsorship section of our website for more details.

If we have missed any information, or if you require clarification regarding some aspect of the show, give us a call at (780) 532-5340, or fax us at (780) 532-2926. For all booth inquiries and sponsorship please contact Show Manager - Shannon McVagh-Janz at 780-831-6877.

Thank you for your continued support.
